

## Wrexham County Borough Council

**Response/Digest FOI:** [FOI6326]

**Department:** [Housing and Economy ]

1. The Housing and Economy department does/ hold some of the information requested and this is detailed below.

***Applicant: Lee Jefferson – what do they know***

Please kindly provide a list of the public service buildings (such as Libraries and Day Care Centres) your Council has had to close since 2010. Please provide the name of the buildings and the postcodes of the buildings.

I'm keen to find out how many council-run buildings (such as Libraries and Day Care Centres) have been closed where people would have to seek another Library or Day Care Centre (ie to seek the same type of service from a different location which already exists). The reason why I require this information is to get a picture of the effect of any Government cuts to council budgets which in turn is forcing councils to find ways to make savings.

I am interested in all council buildings which provide a service to the public including schools and administrative bases. This is an example of the type of information I'm looking for but I require the postcode besides the name of the building <http://freepdfhosting.com/4f28e56539.pdf>
