

“I am all that I am—DAILY AFFIRMATION

I dedicate my life to Love-God. I dedicate each breath I take to Love-God. I dedicate my very essence to Love. When doing this I immediately realize the importance of that which I already am. When doing this I immediately live from the Spirit-Love-God I am.

I now realize I have arrived...arrived to myself...arrived to the knowingness within myself. I have arrived to the place I have always been. I realize now I am God in human form.

From this point forward I will **know** that I know.

I started out not knowing, and then I knew...now I know that I know.

I am here. I have come full circle within myself.

I know that pride is to hold to the past. I felt fraudulent because I was offering love to others I was not giving myself. I give that love to myself fully. I trust the past has served, and I move to the future with excitement.

I know I am divine. I interconnect the feminine and masculine within me. Spirit is my reality, and my innocence is revealed. I am.

I now answer the call. I let go of control. I am the unknown.

I seek validation within myself. I roar who I am. Lion-Leon I am. The Lion depends on me as much as I depend on him. We are.

I embrace the unknown. I allow **true** joy. I forgive any time I fell when I was seeking to grow. Anytime I fall and get out of alignment when I am growing...I will simply forgive myself. In the word of God, In the word of Christ...I am.

I remember being small takes a lot of work. I will allow life to be easy. I allow my divinity to shine. I must simply Be me to serve the world.

I trust old cords of attachment have served me. I trust previous relationships were just what they needed to be. I have cut old contracts and rewritten new ones. I activate all win/win contracts now. I allow the greatest version of myself to come forward.

I am the teacher and the student. I know that I know...even when I pretend to forget.

I am the magic. I allow the ‘magic carpet ride’ to carry me.

I allow ‘me’ to keep up with ‘me’.

I know. I know...I know!!!

I am all that I am.

I am already that which I seek.

I am!

I am!

I am!

Thank you God, thank you God, thank you...And so it is...
