Greetings from the Yellow Room! October is here and we are looking forward to Halloween. Now that autumn is here, we will be enjoying more days outside so please be sure to check your child's cubbie to be sure that they have weather appropriate clothing. October brings us many special events, such as Columbus Day, Fire Prevention week and of course Halloween. This month, we will focus on the letters: D, E, F, and G, as well as the numbers: 4, 5, 6, and 7. There will be many fall and Halloween themed projects also. We are working on remembering to use our manners and to say "please" and "thank you".

On October 30, we will be having our Halloween party and later, the Halloween parade will be at 3:00. We look forward to seeing you!

What's special?

Hello everyone! Goodbye to September! Hello to October! The Red Room is excited about Halloween! We are having a lot of fun and we are learning a lot!

In September, we learned about "Manners." The Red Room children learned how to make new friends and how to be good friends. In addition, they learned the alphabet, numbers, colors, and shapes. They learned how to trace so that they could learn how to write letters and how to draw better. Tracing and coloring helps children to improve their fine motor skills. They also learned how to recognize their names.

On October 30, we will have a Halloween Party, and later, at 3:00, we will have a Halloween Parade. We are looking forward to our celebrations!

This month, the children are learning Spanish. They are learning letters, numbers, and colors in Spanish. They now understand how to say "water, milk and juice" in Spanish ("agua", "leche", and "jugo"). They are becoming bilingual!
