

Dear Mr Jefferson,

I refer to your request under the Freedom of Information Act 2000.

In the amended version of your request, received on 31st October, you asked:

Please kindly provide a list of council-run buildings (including Libraries, Day Care Centres, Community Centres, Schools and Administrative bases) which your Council has had to close since 2010. Please provide the name of the buildings and the postcodes of the buildings.

Such closures would include those where people have to seek the same type of service from a different location* which already exists (or maybe there is no alternative available). * If there are any scenarios where a service provision is not closed but relocated across the road to another council building I don't require information on that.

I require the list to include buildings closed and disposed plus buildings that are re-let following service closures. If there is a scenario where the building is closed but still under council ownership then please include that in the list.

The primary reason I require this information is to get a picture of the effect of any Government cuts to council budgets which in turn is forcing councils to find ways to make savings. If you can't be sure of the reason for closure then kindly provide the information anyway and indicate what is known about the reason for closure (if known).

We have no buildings meeting this description.
