

WWII Military Strategy (p.670-674)

**1. “Four essential human freedoms”**

- 
- 
- 
- 

**2. European and North African Front**

- Blitzkrieg –
- Battle of Britain –
- Soviet Union –
- North Africa –

**3. Pacific Front –**

**4. War in Soviet Union**

- What was Hitler’s mistake?
- What was the “soft underbelly” of the Axis Powers and why did Churchill encourage the U.S. to attack it?

- Why would it benefit the Allies to start a two front war with Germany?

## **5. The war in Asia**

- Why did the Japanese want to attack Midway Island?
- What was the importance of the U.S. gaining Guadalcanal?

**What are some of the differences between fighting a war on your own soil and going somewhere else to fight? (Use specifics; look at the front in the Soviet Union at this time and the U.S. having to be off of home soil)**
