**Join All Aboard Ohio
for an educational
bar hop - on transit!**

*Transit Oriented Development is reshaping Cleveland! Come hear from developers & transit planners what constitutes TOD, plus the who-what-when-where-why it is happening and how it is beneficial.

Best of all, we'll visit three TODs and ride rail transit to get there!

There will be a raffle at the last stop with valuable prizes, including a free hotel stay, restaurant coupons, retail gift cards and more!
