

SEUSSICAL, JR. - Jungle Citizens

JUNGLE CITIZENS get to have some fun & creativity with their costumes! They get to DECIDE which creature of the jungle they'd like to be and design their own costume for it! SOME IMPORTANT RULES TO FOLLOW:

- Keep it age appropriate! (not too much skin showing)
- Wear the right shoes/slippers (no heels or "clicky" shoes)
- No BIRD, MONKEY OR ELEPHANTS (we already have those!)
- Think color schemes: brown, black, tan, orange, white, yellow

WHERE TO START:

PINTEREST!!!!

Walmart, Target, Kmart & Old Navy would be great places to check ONLINE for an affordable, solid BLUE skater type dress with lots of movement. No sequins for Gertrude.

Hobby Lobby & Michael's - great for all kinds of crafts & accessories!

Amazon.com - Another great goto for headpieces, leggings and costume pieces.
