

The rally is upon us ... time to make some choices

National Rally email #8

Safe travels everyone. This is intended to be the final email to participants.

We are on the verge of 100 registrations, so if you haven't booked in yet, be quick. Three weeks to go! Please also give us the names of the delegates from your club.

We said there's plenty to see in the Canberra region and three or four days wasn't enough to do more than just get a taste. We know our city is Australia's best-kept secret and that it's the fly-in, fly-out 'workforce' that creates the image problems.

Accompanying this email is another document outlining the four Sunday tours in more detail. Some of the activities require pre-booking, and we want to ensure that lunch venues are forewarned that several (many) might descend on them hoping to get fed in a timely fashion.

Read the descriptions carefully then select a tour and email us your selection by return email to morrisminorclubsnationalrally@gmail.com Once again, it will be on a first come, first served basis. For example, the Segway tour in Tour option two – A Different Look at Canberra – is limited to fifteen places, and you're competing with people off the streets for them, so jump in!
