CATERING BY DESIGN'S ONLINE PRIVACY POLICY

At Catering by Design we recognize the importance of privacy to our web site visitors. This privacy policy explains what type of information is collected from you and how Catering by Design uses it.

Collecting Your Information for Inquiry Purposes

Users are asked to provide personal information about themselves and the event they are planning. This information may include user's name, address, phone number, and email address. We collect this information in order to process your request as accurately as possible.

The Information will be used to communicate your needs to us for your upcoming event. Catering by Design values its customers' privacy. Customer-specific information will only be disclosed to an Event Designer for the event you are inquiring about.

Website Links

The site may, from time to time, provide links to sites operated by third parties. These sites are governed by different privacy policies. Please review the privacy policies of these sites. Catering by Design cannot be held responsible for personal information you voluntarily disclose to third parties. Please safeguard your personal information.

Restriction of Liability

The information, products, and services published on this website may include inaccuracies or typographical errors. Changes are periodically made to the information provided. Catering by Design and/or its service providers may make improvements and/or changes to the website at any time.
