

THE LITTLE MERMAID Jr.— COSTUMES

Pilot/Courtier

The PILOT/COURTIER should look for an appropriate Colonial period costume similar to that of a pirate captain without the skull & crossbones, hook or eye patch (of course). He needs an embellished long coat, white shirt, pants tucked into tall boots (or boot covers) and appropriate tri-corner hat. One costume will serve well for all of his scenes.

Costumes similar to the one pictured are available online ranging from \$25-\$45. A homemade version can be pieced together using items found at Goodwill and Salvation Army as well and using tricks on Pinterest!
