VOTER REGISTRATION:

[State of Michigan Voter Registration Application](#)

To register to vote you must be:

- A United States citizen
- 18 years of age (by election day)
- A resident of the township 30 days prior to the election

A completed application can be mailed, emailed or brought in person to the Township Clerk's office. You can also register to vote at your local Secretary of State office.

NOTE: Your voter information can be viewed at [Secretary of State Voter Information Center](#).

Polls are open on Election Day from 7:00 a.m. - 8:00 p.m.

WHERE DO YOU VOTE IN HIGHLAND? Please note - polling locations have changed for many Highland voters.

As a way to save Township tax dollars on the new election equipment required by the State, Highland's eight precincts will now be paired up at four locations.

The Clerk's office evaluated the prior polling locations and some potential new locations for ease of access, amount of parking available, space to fit two precincts, and long term prospects for the availability of the building. Highland Elementary and Spring Mills Elementary both work well for elections, but the VFW Hall, Duck Lake Center, Highland Activity Center, and Apollo Center are less suitable. Two new facilities were chosen to replace them: Highland United Methodist Church and Church of the Holy Spirit.

Voting in church buildings is new to our community, but it is a common practice in neighboring communities and around the state. Both of these churches have facilities that will work well for elections and have a strong history of involvement in our community.

The Township Board approved this plan for use starting with the 2018 elections. Our next election is August 7th, 2018, unless a special election gets scheduled for May. Click here to see the map: [Precinct Map](#)
