HANNIGAN

## MISS HANNIGAN

Look for a 1930s style floral dress. Does not need to be a perfect fit. Shoes should be plain brown or black, nothing fancy – a granny boot style would be perfect. Anything similar to the look of the dresses here will work. She can add a house coat or a cardigan to the look as well.

Another Hannigan look is the nightgown/slip (make sure it's school appropriate) with a housecoat and hair tied up.
