This architectural floor plan depicts a large, vertically oriented building with a complex internal layout. At the top is a semi-circular auditorium with a stage and balcony. Below it are two symmetrical garden terraces. The central part of the building contains a library and internet center, a cafe, and a small square courtyard. A central corridor, labeled as a shopping area, runs through the middle. Below this are two more symmetrical lounge areas, a photo gallery, and a large restaurant at the bottom. The plan includes numerous rooms, corridors, and stairwells, with several areas marked with the letter 'E'.
