

THE LITTLE MERMAID Jr. – COSTUMES Sea Creatures/Chorus

SEA CREATURES/CHORUS have a big part in this show in making the Under the Sea world come to life. To do this, each HOMEROOM will be responsible for specific sea life creations so as not to have too many of one particular creature on stage.

Murray – Sea Turtles

Holbrook – Jellyfish or Starfish

Moore – Clownfish

Hoskins/Beckett/Ford – Rainbow or Colorful Fish

RESOURCES:

The BEST place to start is PINTEREST or INSTRUCTABLES on creating a costume for your specific sea creature. Most of them can be created with items found at Walmart, Target or Michael's. Premade costumes are available online at Amazon.com and Buycostumes.com as well.
