Our Ref: NL/richmond19716

Your request:

Please kindly provide a list of council-run buildings (including Libraries, Day Care Centres, Community Centres, Schools and Administrative bases) which your Council has had to close since 2010. Please provide the name of the buildings and the postcodes of the buildings.

Such closures would include those where people have to seek the same type of service from a different location\* which already exists (or maybe there is no alternative available). \* If there are any scenarios where a service provision is not closed but relocated across the road to another council building I don't require information on that.

I require the list to include buildings closed and disposed plus buildings that are re-let following service closures.

The reason why I require this information is to get a picture of the effect of any Government cuts to council budgets which in turn is forcing councils to find ways to make savings.

Our response:

No Council-run building has closed since 2010, as defined in this FOI request (i.e. If there are any scenarios where a service provision is not closed but relocated across the road to another council building I don't require information on that).

I hope you are satisfied with this response.
