Hi (**FIRST NAME**), this is (**YOUR NAME**). I'm an INFORMATION SPECIALIST calling on behalf of Team Express and the reason for this VERY BRIEF call is that I have your FREE information *and personal invitation to give you* that you requested. (**PAUSE**)

You filled out an online form that you were **serious** about finding an opportunity to make money from home with a legitimate, inexpensive, and easy to operate business. The request you made was sent to **The Online Business Bureau**, and the **RECOMMENDED** opportunity of the Online Business Bureau for you to research, review and consider is **Team Express**. As an **INFORMATION SPECIALIST**, my job is simply to relay your requested information to you and nothing more.

This is not a sales call (**FIRST NAME**). What that means is I have nothing to sell you, I'm **NOT** going to try and sell you, convince you or pressure you with anything whatsoever.

My job is to give you *your requested INFORMATION* and I promise it will only take a few brief minutes, **OKAY?**
(*Prospect says: OKAY*)

Do you have a pen (**FIRST NAME**)?

IF NO:

I'll hold while you get one, thanks.

(*When prospect returns with pen proceed to "IF YES"*)

IF YES:

Fantastic! Please take down my name.

Again, it's: (*GIVE YOUR NAME AGAIN... REPEAT IT TWICE... Spell it if necessary*).

The **callback** number to reach me is:

(*Give YOUR SimpleVoiceBox CALLBACK #... REPEAT IT TWICE*)

(**FIRST NAME**), we believe that if a business opportunity or ANYTHING is REALLY as GREAT as it "CLAIMS" to be, THE TRUTH *should be able to stand on its own merit...*
Do you believe this also? (*wait for their answer*)

IF NO:

Thank you kindly for your honest answer (**FIRST NAME**), however, this opportunity is not for you. Have a nice day (**Hang Up... go to next prospect / lead**).

IF YES:

GREAT!!! Please take down this phone number:

(209) 647-1884 ****repeat phone number****

That **209 phone number** will bring you to a very brief **24hr recorded phone message** that will introduce you to an International business that provides an already tested and proven no nonsense system of taking a minimum of **\$25 and RAPIDLY leveraging it into a MONTHLY RESIDUAL income stream of \$12,750 and more in as little as 8 weeks from the time you become a member!**

This business is *product based* and has **NOTHING** to do with **MLM, Cash Gifting or YOU** having to explain, sell or convince anyone of *anything whatsoever!*

After you have listened to the recorded phone message you will need to go to the following website. Are you **ready** for the website address (**WAIT FOR ANSWER!**)?

It's **www.GetFreedomFromYourJob.com** (repeat website address twice).

That website will provide you with a more detailed introduction to this business and show you how making the monthly residual income I stated is a **mathematical certainty**. In order to enter the website, in the form field on the bottom left hand of the site you will **NEED** to enter in **YOUR first name** and **YOUR email address**. You will also **NEED** to enter in **my name as your Contact** and **my Callback Number**, so it is very important that you have **my name** and **Callback Number** on hand.

Again, that website address is **www.GetFreedomFromYourJob.com**, my name is (**GIVE YOUR NAME again**) and my callback number is (**Give YOUR SimpleVoiceBox CALLBACK #... REPEAT IT TWICE**).

OKAY?

(**Prospect says: OKAY**)

It is important for me to **emphasize** that this company and business you're about to review **is not only a proud member of the Online Business Bureau, but they also hold a Green Rating and are actually RECOMMENDED by the Online Business Bureau as a viable company to do business with** and of course you will be able to verify this for yourself with the Online Business Bureau.

Please pay close attention to what I'm about to say next. When **AFTER** you have finished going through the website, it is **extremely important that you call me back on my Callback Number I gave you**. The reason why is so I will be able to provide you with the information that you're going to **NEED** in order to take you to **PHASE 2** of your research and review of this business (you'll see what I'm talking about when you arrive **at the last page of the website**).

Don't worry (**FIRST NAME**), the feedback we get from people who review **PHASE 2** is that they've **NEVER** experienced anything quite like it before and they were overjoyed to have been able to review what they discovered there... **** Chuckle ****... *But I'm really getting ahead of myself.* 😊

The bottom line is that it is very important that you have that **209 area code** phone number I gave you, the **GetFreedomFromYourJob.com** website address, **my name** and **ESPECIALLY my Callback Number** written down correctly and on hand.

Can you please repeat **the 209 phone number** for me (**let THEM repeat it**)?

Can you please repeat **the website address** I gave you (**let THEM repeat it**)?

Lastly, do you have **my name** and **my callback number** (**let THEM repeat it**)?

GREAT!

Well, that's it, your next step is to call the **209-647-1884** phone number and listen to the message that was recorded with you in mind. Then you simply go to the website and review the information and when you're done with the website **CALL MY CALLBACK NUMBER**, *leave a message letting me know you've completed PHASE 1* and I will get back to you with the **FREE** information you'll need to review **PHASE 2!**

It's been a pleasure speaking with you (**FIRST NAME**) and I'm looking forward to **hearing from and speaking to you again real soon about Team Express.**

Goodbye.

**** Hang up, log the information and go to the NEXT call. ****
