

Dear Potential Sponsor:

Re: Request for Sponsorship / Event Participation

My name is Heather Bankhead, Founder/Director of the Hailey Bankhead Foundation, INC, located in Jonesboro, Ga. I established the foundation less than two years ago when my 6 year old daughter, Hailey, was diagnosed with Stage 4 Wilm's Cancer (kidney). The experience my family went through and the fight Hailey battled (and won!) has been motivating and has encouraged my family to help others going through similar situations.

Our slogan "Together WE are fighting against childhood cancer" defines who we are and what our objective is. I established this foundation with the goal of providing parents, families and supporters of childhood cancer victims with resources, knowledge and support from the preliminary diagnosis stage through treatment and remission.

This is a request for a donation or an item for our benefit, "A Night under the Stars," which will be held Saturday, September 6, 2014, at Lovejoy Community Center located at 11622 Hastings Bridge Rd, Lovejoy, GA. This black tie gala will include dinner, music, comedy and a silent auction. We are anticipating 100 participants. The event has been advertised on social media sites, media outlets and local businesses. Proceeds from this event will go towards cancer research at local children's hospitals, activities for youth-cancer patients and monetary support for families battling childhood cancer. A donation from your company will be recognized at the event with your company listed as a sponsor and supporter.

We appreciate your support and remember, **"Together WE are fighting against childhood cancer!"**
