

Dear Mr Jefferson

REF NO: 010174

I am writing to confirm that Middlesbrough Council has now completed its search for the information you clarified on 28 October 2016.

In your request you asked for the following information:

Please kindly provide a list of council-run buildings (including Libraries, Day Care Centres, Community Centres, Schools and Administrative bases) which your Council has had to close since 2010. Please provide the name of the buildings and the postcodes of the buildings.

Such closures would include those where people have to seek the same type of service from a different location* which already exists (or maybe there is no alternative available). * If there are any scenarios where a service provision is not closed but relocated across the road to another council building I don't require information on that.

I require the list to include buildings closed and disposed plus buildings that are re-let following service closures.

I'm only interested however in the buildings in which you provided a service that you were forced to close due to Government cuts to your budget making it no longer financially viable for you to keep such buildings open.
