

## SEUSSICAL, JR. - JOJO

JOJO needs to look like an All-American WHO but stand out a bit from the rest of the Whos by wearing a shirt with only a hint of yellow like in a stripe instead of being mostly yellow. This hints that he kind of has a mind of his own (which his parents just don't understand)!

### WHERE TO BUY:

Walmart, Target, Kmart & Old Navy all have GREAT, cheap basics in yellow stripes this time of year!

Goodwill & Salvation Army - SUPER FINDS are hidden here for next to nothing!

Amazon.com & eBay - never fail goto places for costume needs
