

Creativity

Quote

Creativity is just connecting things. When you ask creative people how they did something, they feel a little guilty because they didn't really do it, they just saw something. It seemed obvious to them after a while. That's because they were able to connect experiences they've had and synthesize new things. Steve Jobs

Bible Verse

For we are God's handiwork, created in Christ Jesus to do good works, which God prepared in advance for us to do. Ephesians. 2:10

Journaling

How creative do you think you are? Do you struggle with fear where your creativity is concerned? If you have dealt with this fear, how did you tackle it?

Apart from art or crafting, in what other areas do you express your creativity?

Technique Challenge

Today's technique is using watercolour paint and salt. You can use table salt, rock salt or dish washer salt. You don't need the clingfilm today so you don't need to watch the second half of the video. We're going to do that technique when we get to **J**.
