

## The Iron Curtain Speech

Who is Winston Churchill?	
What is the present situation in Europe?	
Why is Churchill worried about the Soviet Union?	
How is Joseph Stalin comparing Churchill to Hitler?	
Stalin explains the rise of communism as a normal function. Explain why this is.	

**For Homework:** Answer the following question in a detailed paragraph using the two speeches handed out in class. How would this speech made by Winston Churchill have created tension between the Soviet Union and the Western democracies? Be specific, reference the speeches in your answer.
