

TX FREEDOM

WEDNESDAY NIGHT

LIGHTS

League of WAKA
Carrollton, TX
Issue 4
Spring 2013

I hope everyone had an amazing time at the midseason party. You guys partied so hard, the photo booth attendant kept it open after the time we had it reserved for---just to watch you for his own personal entertainment.

Next Thursday, April 4, come to Savour in Allen during HH to celebrate a BBP player's birthday: a percentage of all the tabs will go toward the Carry the Load charity---so the invite is open to all! The more the merrier since it benefits a great cause. Check page four for more information and [RSVP here](#).

Rule of the Week

See the full list of rules at www.Kickball.com/rules

Running the bases:

When Running to First Base:

- When you're running through first base and not stopping, you must run through the orange base on the right.. You cannot run through the base on the left and be considered safe if you're off the bag and tagged. This is in place for safety reasons.! All ties go to the runner.
- When using the run-through base, you are not allowed to advance to second base unless it is apparent to the ref that you are making a natural round to second base. More than two strides past the run-through base is considered "non-intention" to run to second base. All calls are ref discession.

Base Running on Overthrows:

- an overthrow is a ball thrown, kicked, or deflected into foul territory while making a defensive play toward a player or base;
- a runner may advance only one base beyond the base the runner is on or running toward when the ball travels into foul territory;
- one base on an overthrow is a restriction on the runner – not an automatic right for the runner to advance;
- if any fielder attempts to make an out prior to returning the ball to the pitcher, runners may commence base running.

TEAM AWARDS

Jenn & Anthony

Our Co-MVPs for the week were Jen and Anthony (who refused to be photographed). Anthony because everybody else was pretty bad, and he held Bojangles monster offense to only 3 runs. Jen didn't do much in the game, but she was a Beer Pong ALL STAR! Maybe next week we'll actually score... Jack!

"Stretch" Eric

This weeks MVP goes to Eric "Stretch" Schmalzried. After having pulled many different leg muscles in his illustrious kickball career, the team concluded we should have him stretch for the entirety of the match. Balls were thrown high, low, left and right but "Stretch" seemed to catch them all to record the majority of our outs! We may have actually seen him attempt the splits which would, in the end, prove to be unsuccessful. What an effort though Eric!

So congrats to "Stretch" and the rest of Pitch Please for a fine victory. Bring on Balls Brews and Pitches!!!

Cortni and Cale

Todd Jones

The MVPs for Balls and Dolls go to our fearless captains, Cale and Cortni. Cale for his super speed and scoring our only two runs, and Cortni who make over 200 jello shots and skittles vodka shots In order to make not winning much more tolerable and fun. Our team appreciates everything they do for us! – Michelle

Todd Jones SOP's new catcher is MVP this week for picked up the entire pre-party tab for SOP. All you other rookies should take note of his on the field and off the field performance.

Elaina & Sara

Jon G.

BOJANGLES

Aimee & Natalie

There's only one way to describe them: Thelma and Louise. Elaina and Sara are two of the most awesome people ever. Their enthusiasm as newbies to kickball keeps the Wonders excited about every inning of the game. And they never hesitate to bust a move at the bar either. So glad these two took a chance with WAKA. We're so glad you're here!

This week we give a big shout out to our MVP Jon G. He showed his amazing athleticism on the kickball field making some pretty great kicks, swiftly making it around the bases and letting nothing past him on the field. Jon took athleticism to new heights during this weeks bar game, beer pong. His amazing talents scored the majority of the teams points, keeping us on top!
2nd MVP of the night goes to the Jello Shots courtesy of Balls&Dolls. You guys are amazing and we had a blast!

This week, Bojangles played one of our favorite newer teams, BBP. Natalie is MVP for catching two outs and for her dazzling photobooth poses. This lady gets married in a couple of week s—is that what this expression is about?

Our other leading lady is Aimee, who not only caught one out, but assisted in another out in an ESPN update-worthy move. I'm pretty sure she rocked some rap video booty-poppin dance moves at RedRock later too.
