

I'm so delighted you're planning to join us for our first ever sewing retreat! We've booked the Glen-Ella Springs Inn for the weekend, and not only do they have one of the top five restaurants in the state of Georgia, their hospitality is legendary. We've got sweet rooms, the run of their well-appointed conference center for our sewing pleasure, piles of non-stop food, the great outdoors in full North Georgia Mountains full color, and fantastic company. I can hardly wait!

**All the hairy details:**

Autumn Sewing Retreat, Glen-Ella Springs Inn, Clarkesville, Georgia

**Cost:**

\$495 per person before Aug 14; \$535 per person by Oct 10

Rate includes accommodations and all meals (Friday supper through Sunday lunch) plus snacks and continuous beverage service throughout the weekend. All rooms double occupancy. Y'all should bring your own sewing machine, patterns and fabric. Some materials will be provided for specialty workshop opportunities, and fabric will be available on-site from our most recent collections.

**Workshops:**

Sewing time will be divided between work time on projects you've brought (with piles of guidance from our expert staff) and workshops y'all will choose!
