

A little birdy told me

softie sewing pattern

A collection of craft supplies is laid out on a light-colored surface. In the center is a white paper pattern of a bird, showing its outline, head, and wing. To the top left is a piece of patterned ribbon. Below the ribbon are four small beads: two black and two green. To the left of the bird pattern is a stack of two pieces of fabric; the top one is light blue with a floral pattern, and the bottom one is dark blue with a small white and red pattern. Below the fabric is a pair of silver-handled scissors. At the bottom right is a yellow floral sticker. On the right side of the image is a yellow sticky note with a list of materials.
