

# TOP 100

For standard SHW/ 125+ kg. USA lifters in results received from Apr/2000 through Mar/2001.

# PL USA Top 100 Achievement Awards

Powerlifting USA TOP 100 Achievement Certificates are printed in Red and Gold ink on exquisite paper, embossed with the gold seal of Powerlifting USA Magazine, and signed by Mike Lambert. They specify your name, TOP 20, 50, or 100 ranking division, weight class, and actual numerical ranking in your class. The price for this documentation of your achievement is \$6. We also offer a wood grain plaque with a clear cover, ready to hang. The certificate and display plaque are available together for \$21.95. If you have appeared on a TOP 100 list, you are eligible. Send your name, street address, weight class, lift, date it was made, the amount of weight, and the list that your name appeared on. Send \$6 per certificate or \$21.95 for certificate and deluxe mounting plaque, payable to Powerlifting USA, Box 467, Camarillo, CA 93011. (CA residents - add 7% tax).

## NEXT MONTH... TOP 114s

**Corrections...** Andy Moreno's California State Junior (14-16 age group) record bench press of 220 lbs. in the 123 lb. class, which was achieved at the USPF California State meet in San Luis Obispo last October 7th, was not reflected on the TOP 20 list for Teenagers for the year 2000, as published in the March 2001 issue of POWERLIFTING USA. In this case, we did not receive the results of the competition in question in time to use in our compilation of that list. Brian Dolan benched 540 at Dr. Darrell Latch's May 13th, 2000 contest. In the tabular results, his bodyweight was not indicated, however, it was mentioned in the text of the meet report, but we didn't catch it and his effort was not reflected on the TOP 100 listing for the 275 lb. weight class. Brian only weighed 250, well below the class limit. We certainly do apologize for any errors that our readers find in the various lists we publish, and we encourage you to please send any corrections to "PL USA ERRORS", Box 467, Camarillo, CA 93011. Sometimes we miss the lifts, sometimes the results are not available, and sometimes the bodyweights of the competitor are not indicated - there are several possible reasons for a mistake. (Sometimes, it takes a while to verify the correction before it is published.)
