

THE LITTLE MERMAID Jr.— COSTUMES

Ariel

ARIEL will need 2 costumes: one ocean and one land. Her ocean costume should be a turquoise mermaid skirt with matching tulle “fins” and purple top. She will need the iconic shells as part of her top if possible. A red wig is a must for our Ariel. Her skirt must be custom made as

the fin portion of the skirt must begin at the knee and be made so that it can be velcro'd off quickly during the Ursula spell transformation scene. Her land costume can be a simple frock similar to the one pictured here.
