Greetings to Our Brilliant Learners!

We hope that the new learning tools you've gotten from this course will help you for the rest of your life. We will always continue to be a team together, so let's not think of this as a parting, but rather as a new, joint beginning for wonderful learning lives in the future. We have already met with some of you in our travels, and we look forward to meeting many more of you in the future—we would like it very much if you might come up and say hello!

As always, happy learning!
