

THE TALK OF THE TOWN

Glory streaming party with Britney today,
All seventeen songs, the fans all listened,
This is her best album some people say,
The queen of pop once again christened.

Eclectic sounding from across the world,
Brazilian Britney quickly became French,
To the catchy dance beat we now twirled,
Our thirst for sensuality this does quench.

Critical acclaim, Glory was well received,
Selling out quickly at that nearby Target,
The rush to buy a copy can't be believed,
Call first, see if they have it, don't forget.

Sunday is the MTV Video Music Awards,
Britney rehearsing into the late afternoon,
Something exciting the fans look towards,
Not long to wait, seeing Spears real soon.

Fever pitch, Britney is the talk of the town,
Rising to the occasion, in the faster lane,
After twenty years, still worldwide renown,
Spears' superstar career will never wane.
