

The diagram shows a floor plan of a Medical Center. The building is composed of several interconnected rectangular sections. On the left, there is a vertical section with a checkered pattern along its outer edge. A horizontal section extends to the right from this vertical part, containing a U-shaped feature. Below this horizontal section is another horizontal section, which is the largest part of the building. This section has a central vertical corridor. At the bottom of this central corridor is a small, semi-circular feature. Below the main horizontal section are four smaller rectangular sections arranged in a 2x2 grid. Each of these four sections is labeled 'Lift'. At the very bottom of the diagram is a horizontal row of 16 small squares, with the central two squares being white and the others having horizontal lines.

The diagram shows a floor plan of a building. At the top is a rectangular section labeled 'Center Court' which is divided into two equal squares. Below this is a larger, irregularly shaped section. In the center of this lower section is a rectangular area labeled 'Platinum Studio'. To the left of the 'Platinum Studio' is a staircase. To the right is a small rectangular area labeled 'Lift'. The entire lower section is enclosed by a thick black line. Along the bottom edge of this enclosure, the words 'Jogging Track' are written twice, once on the left and once on the right, following the curve of the boundary.
