

## **Vision Process Questionnaire #2**

### **First United Church of Christ 6.15.2017**

Which of the following statements best describe your belief about God's vision for our church?: *Please place a number after each question and then explain your answer.*

- #1.This is where I believe our vision should be.
- #2.This must not be overlooked.
- #3.This is good but not primary.
- #4.I could live with this.
- #5.I am uncomfortable with this.
- #6.No way!

#### **Questions**

1. We need to stay the course and keep things the way they are.
2. We need to focus all our resources on getting a high-skilled, experienced, young Pastor with a church-growth record.
3. We need to focus on becoming a church for the community in which we find ourselves. Emphasis on African American and Latino service.
4. Focus on more traditional worship, hymns, choir selections, etc.
5. We need a more conservative approach and openness to conservative people.
6. We need a more radically liberal approach and more openness to radically liberal people.

7. We need a moderate approach that can embrace both liberal and conservative emphasis.
8. We need to find another church to join with and merge, federate and dually align our denominational connection.
9. We need to work more closely with Hispanic churches and seek joint ventures with them.
10. We need something big and exciting like using our land for elderly or low-income housing.
11. One church I think we should use as a model is \_\_\_\_\_.
12. The worst thing we can do at this moment is \_\_\_\_\_.
13. We need to become a Cathedral Church for the UCC in Florida and use more denomination programming in our ministries.
14. If you had your dreams come true, what would our church look like one year from today and five years from today?
15. Here is something I thought of that isn't on this questionnaire: \_\_\_\_\_
