

Glyndon and Margaret Bruhl -

Say hello to Glyndon and Margaret Bruhl who moved to Patriots Colony July 10th from Matthews, NC. Glyndon and Margaret have a daughter in Queens Lake in York County so they came and looked at PCAW and decided it was a fit for them. Both were raised in Covington, LA. Glyndon graduated from LSU and was in the ROTC there with Mac Armstrong. He became a USAF pilot and served 23 1/2 years as a pilot, retiring in 1987.

Glyndon and Margaret were married in Covington in 1962 and have two daughters, the one here and one in Austin, Texas. Margaret attended nursing school in Sumter, NC while raising their daughters, while Glyndon was stationed at Shaw, AFB.

After retirement Glyndon wanted to get into building and needing experience he signed up as a volunteer with Habitat for Humanity and became a real estate agent. He ultimately became a construction supervisor and the business manager for two emergency veterinary clinics. Meanwhile, Margaret was teaching horsemanship, as she owned a horse named Kody (see her license plate).

Glyndon has already become involved here with the tennis and golf, and is interested in finding racquetball players. Margaret wants to become involved with the Senior Saddles, Dream Catchers and would like to start up a Bunco group.
