2004 Base Guide & Telephone Directory

The background of the entire cover is a photograph of a desert landscape. In the foreground, there is a field of dry, yellowish-brown grass. In the middle ground, there are several large, green, spiky yucca plants. In the background, there is a range of rugged, brown mountains under a blue sky with some white clouds and a few lightning bolts. Overlaid on the top half of the image is a large, semi-transparent silhouette of a soldier in profile, facing right, holding a rifle.
