

Annie Jr. Costume
LILY ST. REGIS

LILY

Lily should look like a 1920s flapper or Gatsby girl. She needs a flapper style blonde wig or similar hairstyle. She should also have black Mary Jane style shoes with a soft sole. Her signature color should be pink, purple or turquoise...something that will contrast against the drab orphanage look. A faux fur stole or jacket would be perfect!

For the Mrs. Mudge costume change, she should just add a scarf over her head and a wool dress overcoat (borrowed from a Yes, Virginia cast member).
