

Dear Sir,

Thank you for your request received on 13th October.

You requested the following information:

Please kindly provide a list of council-run buildings (including Libraries, Day Care Centres, Community Centres, Schools and Administrative bases) which your Council has had to close since 2010. Please provide the name of the buildings and the postcodes of the buildings.

Such closures would include those where people have to seek the same type of service from a different location* which already exists (or maybe there is no alternative available). * If there are any scenarios where a service provision is not closed but relocated across the road to another council building I don't require information on that.

I require the list to include buildings closed and disposed plus buildings that are re-let following service closures. If there is a scenario where the building is closed but still under council ownership then please include that in the list.

I'm only interested however in the buildings in which you provided a service that you were forced to close due to Government cuts to your budget making it no longer financially viable for you to keep such buildings open.

Your request has been forwarded to the relevant Officer and I can advise that there have been **no buildings in which the Council provides a service which has been forced to close due to Government cuts to budgets since 2010.**
