I, Bruce J. Kelman, declare that if called as a witness in this action, I could and would testify competently to the following facts, which are within my own personal knowledge.

1. I am a Plaintiff in this action, and am a principal and the president of Veritox, Inc., formerly known as GlobalTox, Inc., the other Plaintiff. I make this declaration in opposition to the motion for summary judgment filed by Defendant Sharon Kramer.

1 of the report we prepared for The Manhattan Institute may be  
2 found as a position statement on ACOEM's website.

3  
4 11. I first learned of Defendant Sharon Kramer in mid-  
5 2003, when I was retained as an expert in a lawsuit between  
6 her, her homeowner's insurer and other parties regarding  
7 alleged mold contamination in her house. She apparently felt  
8 that the remediation work had been inadequately done, and  
9 that she and her daughter had suffered life-threatening  
10 diseases as a result. I testified that the type and amount of  
11 mold in the Kramer house could not have caused the life-  
12 threatening illnesses that she claimed.

13  
14 12. Subsequently, I became aware that she had launched  
15 a campaign attacking GlobalTox and me through various media,  
16 including the Internet. As one example, she sent outraged  
17 emails to the American Industrial Hygiene Association  
18 ("AIHA") after they had invited GlobalTox to participate in a  
19 teleweb conference. In one such email, she wrote, "May your  
20 children rot in hell, along with all the other children you  
21 are hurting." (A copy of those emails is included in  
22 "Plaintiffs' Exhibits in Opposition to Summary Judgment"  
23 (hereafter "Plaintiffs' Exhibits") as Exhibit 201.)  
24

25 13. Furthermore, she blames me, my colleagues at  
26 Veritox and thousands of other doctors and physicians who  
27 concur with our research for killing innocent human beings;  
28

work. They will be substantially harmed unless Kramer is held accountable for her false and malicious accusations.

I declare under penalty of perjury under the laws of the State of California that the foregoing is true and correct.

Executed on March 24, 2008 at Redmond, Washington.
