

How to prevent the sting of death-Achieve victory over death

I am here to reveal a secret that will provide everyone the ability to produce physical evidence and knowledge will remove the sting of death

The evidence can be recorded with a photograph, and additional photographs can be used to consider its relevance to your life

Everyone is finding it difficult due to law or regulation to practice or gather for worship, and everyone can spare a few minutes of time

I will explain how the ancients worshipped without a church in the past and present the references from a recognized source that everyone can review

The foundation of the evidence is referenced from verses from the King James Bible that is recognized as a worldwide standard, in addition, images from advanced photography-including software that can be used for personal use that will reveal the Marks of Mankind

I will take you down the path of scripture and science to demonstrate that everyone is part of a family constellation, and as at the same time you're surrounded by your loved ones, the greatest family constellation that you're part of is your nation-a self-organizing system whose centuries old habits are now under an unrelenting attack by forces, who know more about these things than you are capable of learning in the time you need to protect yourself

Mankind organizes into clusters and like animals do-where within habits are acquired, and a repeated actions sees this system always growing towards excellence-which in the animal world can be seen evidenced in flocks of birds and schools of fish performing amazing feats while operating in unison

and in human beings can be seen in any birds eye view of people navigating traffic on busy city streets, either by car or in walking-and sees Professor M. Bekoff further observing that any animal that travels or hunts in a group has to have a way of moving where there not colliding all the time, and he also includes that human social groups are also coordinated by these fields

Our emphasis in all of our videos is on positivity, which defeats fear and reduces its influence and effects

The factors of the Present

The factors of death generally are accident, crime and disease
The following is the basic instruction review

Position and orientation

You will be facing 10-15 degrees right of north

With the right hand upturned toward the sun and the left hand downturned toward the earth

Between 8-10AM

A general practice is to photograph the top of your right hand and photograph the palm of the right hand

On any clear morning the sun will rise in the east

Go toward the sun and position yourself so that you have an unobstructed view of the sun in the east and the sky in the north

Raise the right arm to target the sun with your hand to line the sun center between the web of your finger and thumb to focus the sun on the palm of your hand.

Your left hand is pointing towards the ground and the ground transmits the sun's energy flowing out of your body.

The energy you receive from the rays of the sun is returned to the earth.

When you have aligned the sun with your right hand with your arm comfortably stretched-out,

You will turn your head and body to the left-side toward the north

The energy you receive from the rays of the sun is returned to the earth.

The prayer of Enoch-This is the English translation of the one of the Aramaic prayers used daily before he was taken away.

It is I who comes before you,

The one true God

To give praise and thanks for this day you have granted me

I ask that you give me wisdom, knowledge and understanding

And blot my transgressions from your sight

So that I may bring praise and glory to your name
