

## EVENING OF LOVE WITH BRITNEY

Summer weather in winter, ninety degrees,  
Southern California, living in Hidden Valley,  
From the Pacific Ocean a cool sea breeze,  
The best place for Britney to live, we agree.

Heading back to Las Vegas, leaving home,  
Must prepare for the Valentine's Day show,  
Rested, no symptom of showbiz syndrome,  
Soulmate support from Bob, Britney's beau.

Saturday kicking off our romantic weekend,  
Then Sunday's show is on Valentine's Day,  
Evening of love with Britney fans will spend,  
She was the goddess Aphrodite, some say.

Making a million dollars for all of that effort,  
Not bad pay for two evenings of hard work,  
One of the top earners in the Forbes report,  
Folks want their cut, hands out with a smirk.

A warm heart makes Britney's toils palliate,  
Sight unseen, her Robert was always there,  
Teamwork and togetherness, true love fate,  
Someone you can count on that does care.
