

RUN YOUR OWN RACE

free cross stitch pattern

This pattern is super simple and pared-down so that you can use it as a jumping-off point for cross stitching the design. Feel free to mix it up and try your own colors! See the Whipstitch blog for images of this design sewn up.

To re-create the design as seen on the blog, use the following floss colors:

-  "RUN" main color
Sublime Stitching 804,
Honeysuckle
-  "RUN" highlights
Sublime Stitching 280,

All the floss colors can be purchased as part of the "Flowerbox" floss set from Sublime Stitching.
