

**NEW FROM  
GPF SYSTEMS**

# **CORDLESS RIVETER**

**Applications: (Sheet Metal Work)**

- ★ Boat Building
- ★ Construction
- ★ Display shelves
- ★ Furniture
- ★ Heating, Air conditioning
- ★ Lighting fixtures
- ★ Restaurant equipment
- ★ Signs
- ★ Trailers, Cargo containers
- ★ Vending machines

**Audio Warnings:**

- ★ When attaching the battery pack, a "beep" sound will occur for 2 secs that indicates the electric current is connected.
- ★ When the battery runs low, four short "beep" sounds will occur. It is obvious that the battery will need changing.

**Lithium Battery**
