

Annie Jr. Costume
ROOSTER

ROOSTER

Rooster should look like he's a gangster leftover from the roaring 20s. Look for pinstripe suits, vest, a black dress shirt. He needs black shoes with a soft sole (since he'll be dancing). A pinstriped or black fedora is also great!

He will also need a second costume to be Mr. Mudge. This can just simply be removing the jacket or vest and adding a gray or brown dress coat from Goodwill (or borrowed from family or Yes, Virginia cast member). He should have no hat for this scene, but add some fake wire rim glasses.
