What follows are additional sightings for The Apocalrock collection between August 2011 and January 2012 not included in the first book.

BEFORE THE FIRST NAIL

The crown of thorns is not the stereotypical wreath but a woven bun that crested upward. We see that it was tied upon the head of Christ with a bandana. How hard could it have been to shake off even a spiked wreath?

Then we have the Roman soldier holding in his right hand at least three nails while first wiping away a tear from off the face of Christ before he gets started with the First Nail. We see the left arm of Christ laid out but palm down. We can see the tense emotions of this moment perfectly captured in the expression of Christ's alarmed concern and as if drawing in a measured breath of air to hold onto. And depicted most poignantly as if the very thoughts of Christ are those in the background as prophesied:

Isaiah 53:3

3. He is despised and rejected of men; a man of sorrows, and acquainted with grief: and *we hid as it were our faces from him*; he was despised, and we esteemed him not.

This sanctifies the entire site as sacred as if written by Christ himself as only he knew and felt personally. A story board reference that till now could only serve to manifest in visions and in dreams shown to Holy Prophets and for Father to look upon and see the suffering of His son with artistic distance removed from the actual events.

David and Goliath

David has his left leg forward as an extra step to catch his momentum like a baseball pitcher ends up the same after throwing very hard. Goliath is to scale relative to David. Kneeling down with the fish on his back is the god of the Philistines, Dagon, a determinant making the sighting David and Goliath for sure.

This was first seen August 25, 2011 in a photograph that was taken in late winter along 1300 East in Salt lake as I took

several of this light upon the mountain as I went North to Sugar House Park.

What spectacular light! Man could never have seen this until the Lord revealed it. God is true and a revealer of secrets.

1 Samuel 5:4

4. And when they arose early on the morrow morning, behold, Dagon was fallen upon his face to the ground before the ark of the Lord; and the head of Dagon and both the palms of his hands were cut off upon the threshold; only the stump of Dagon was left to him.

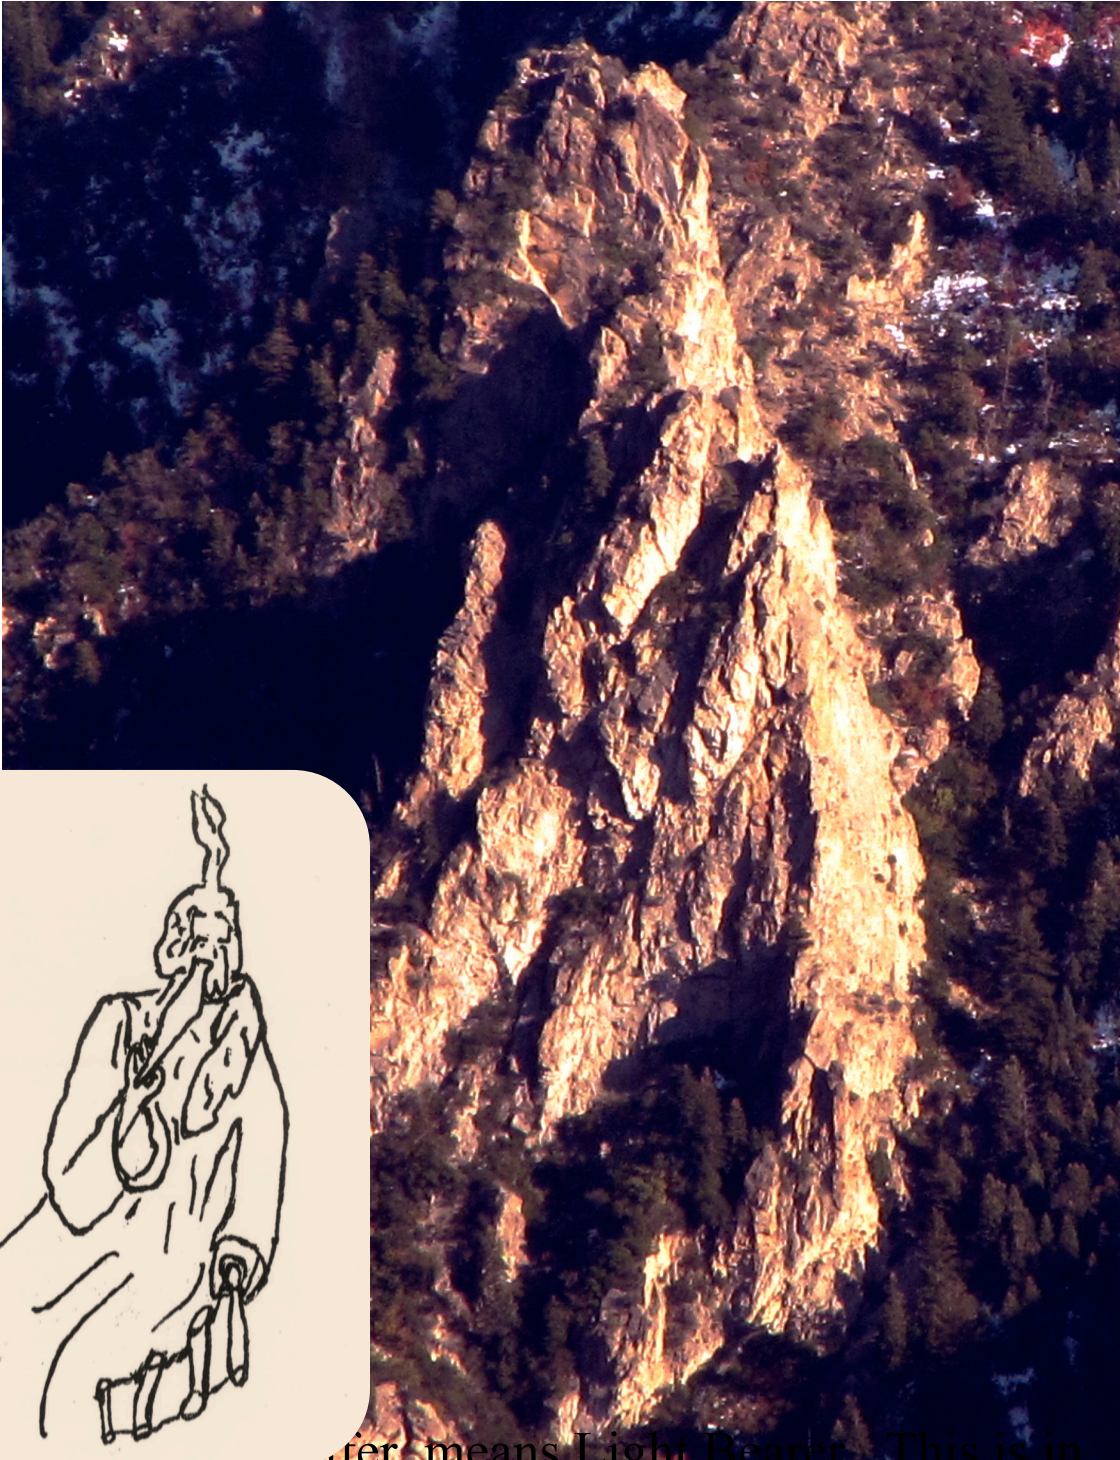

It is an interesting detail in this rock depiction of Goliath that it appears as if his hands are cut off. And he is about to have his head taken off as well according to the story in the Bible.

Lucifer Sits Upon

The Sides Of The North

... means, Light Bearer. This is in

Millcreek Canyon just North of The Apocalrock. A colossal Zeus-like figure holding a torch in front of his face with flames reaching upwards. In his left hand, hanging down to his side, he holds an Ancient parchment written on skins tied to several wooden staves.

The countenance of Lucifer is striking with the regal bearing of the king of this world. Upon his head is a headdress of leafs signifying that he gathers his power from the natural world.

When I was drawn into this sighting I thought it would be Cain at first, thinking the light across his face was the mark set upon him so that none finding him would kill him. A man who carried lightning across his brow would certainly be a caution. Then I noticed the torch and realized the fact of him sitting on the sides of the North holding a book of secrets and Lucifer it is.

Notice his hand holding the torch palm forward, a detail that is very true to how one would instinctively hold it close in. The translucent light across the face is an amazing capture in this picture. Also amazing are what appear to be sunglasses as if representing the pride of the world in the modern age. God as an artist shows his knowledge of the end from the beginning. As if not enough details we also see Lucifer is spewing blackness to show his pollution of lies that defile mankind.

Isaiah 14:12-15

12 How art thou fallen from heaven, O Lucifer, son of the morning! *how* art thou cut down to the ground, which didst weaken the nations!

13 For thou hast said in thine heart, I will ascend into heaven, I will exalt my throne above the stars of God: I will sit also upon the mount of the congregation, in the sides of the north:

14 I will ascend above the heights of the clouds; I will be like the most High.

15 Yet thou shalt be brought down to hell, to the sides of the pit.

Lucifer brought down to the sides of the pit.

This is a previous sighting connected by scripture with the more recent sighting of Lucifer sitting upon the sides of the North from The Apocalrock.

The Great Whore Perverts The Right Way Of The Lord

I will have to set this up with some preaching to begin with. This is why the Mormons were situated here in this valley to be a witness for the last days of the truth of God which they would not receive because of pride.

Lamentations 5:16

16 The crown is fallen from our head: woe unto us, that we have sinned!

Isaiah 28:1

1 Woe to the crown of pride, to the drunkards of Ephraim, whose glorious beauty is a fading flower, which are on the head of the fat valleys of them that are overcome with wine!

1 Nephi 22:10-17

10 And I would, my brethren, that ye should know that all the kindreds of the earth cannot be blessed unless he shall make bare his arm in the eyes of the nations.

11 Wherefore, the Lord God will proceed to make bare his arm in the eyes of all the nations, in bringing about his covenants and his gospel unto those who are of the house of Israel.

12 Wherefore, he will bring them again out of captivity, and they shall be gathered together to the lands of their inheritance; and they shall be brought out of obscurity and out of darkness; and they shall know that the Lord is their Savior and their Redeemer, the Mighty One of Israel.

13 And the blood of that great and abominable church, which is the whore of all the earth, shall turn upon their own heads; for they shall war among themselves, and the sword of their own hands shall fall upon their own heads, and they shall be drunken with their own blood.

14 And every nation which shall war against thee, O house of Israel, shall be turned one against another, and they shall fall into the pit which they digged to ensnare the people of the Lord. And all that fight against Zion shall be destroyed, and that great whore, who hath perverted the right ways of the Lord, yea, that great and abominable church, shall tumble to the dust and great shall be the fall of it.

15 For behold, saith the prophet, the time cometh speedily that Satan shall have no more power over the hearts of the children of men; for the day soon cometh that all the proud and they who do wickedly shall be as stubble; and the day cometh that they must be burned.

16 For the time soon cometh that the fulness of the wrath of God shall be poured out upon all the children of men; for he will not suffer that the wicked shall destroy the righteous.

17 Wherefore, he will preserve the righteous by his power, even if it so be that the fulness of his wrath must come, and the righteous be preserved, even unto the destruction of their enemies by fire. Wherefore, the righteous need not fear; for thus saith the prophet, they shall be saved, even if it so be as by fire.

This scripture sums up nicely the entire purpose of The Apocalrock. Here we see the Great Whore sitting across the valley from The Apocalrock behind Salt Lake City and the headquarters of the LDS Church, drawing the judgments from

The Apocalrock down through the LDS Church unto this spot. Though few in numbers the LDS Church was this earth's best hope from the days of the Restoration. It has failed Zon and only been corrupted by the pride of the world. Now the scriptures that prophecy the condemnation of its fall and its league with all apostasy from the beginning even that Great Whore that has always sought to change the ordinances and pervert the right way of the Lord have been visited by these sightings upon the heads of the Latter-day Saints.

The LDS Church was never true as they were wont to believe because it never became Zion. The Lord was well pleased that the early church was attempting to bring forth Zion encouraging by three major attempts to get the Restoration to forsake the world and become the Zion of our God and of his Christ. These were Zion's Camp which failed, then the dedication of the Kirtland Temple with all its blessings and gifts poured out that resulted in the Gentiles failing to know the Lord, and much apostasy, then the actual settling of the land of Zion that ended in their rejection as a people as they were driven from the Holy Land. So much nurture and admonition from the Lord was refused and considered a light thing.

The LDS Church has always failed to come up to the standard plainly set forth in the Book of Mormon. Just as Christ accepted followers and gave them authority and sent them out into the world with power during his earthy ministry he had not fully accepted them as his church until after his resurrection, teaching them forty days, and commanding that

they remain steadfast and seek for the promise of the Father even the baptism of fire and of the Holy Ghost. After Pentecost the power of the gospel was realized among the Jewish followers of Jesus Christ.

That precedent is repeated in these last day with the Restoration. Through Joseph Smith authority was given and servants were sent out and the church was organized and commanded to bring forth Zion. The power of the gospel was never realized among the early Mormons. The Lord condemned them for taking lightly the Book of Mormon and not doing according to what was written.

I, James Q. Muir, am the first Mormon to expound the power of the gospel by way of the competence of the actual experience with clarity and precise knowledge won from forty years of pleading the controversy of Zion among the LDS people. Forty years rejected, cast out and despised does not bode well for a type and shadow of Christ being seen for forty days among the Jews before they realized the power of the gospel by the baptism of fire and of the Holy Ghost. My witness against LDS arrogance is now seconded by the sightings of The Apocalrock is a strange act prepared from the foundation of the earth to witness in our day for the LDS to have to reckon with facing the end of the days of the Gentiles. The Lord supplied his own second witness, as there has not been another man found equal to the task. No change can be established without at least two witnesses. So it is.

Testimonies members have of the truthfulness of the Restoration and the Book of Mormon and that Joseph Smith

was a prophet and even that Jesus Christ did in fact speak and command the people and every way in which the Lord sought to nurture and draw this people over ten generations of time have caused the people only to error in presumption the same as the Jews who followed Christ could only pretend with him as they lacked the power thereof. Peter was rebuked as Satan and told to strengthen his brethren AFTER he is converted. All the Jews needed to get the gospel right and stop pretending albeit with feeling and a great enthusiasm they cherished in worship it was not acceptable until they realized the power of the promise of the Father in the baptisms of fire and of the Holy Ghost. This is what the Book of Mormon teaches better than any other book and what the Mormons take lightly and refuse to do even while they say so much about it.

The strong delusion of an exaltation-centered gospel has repudiated the Zion of our God and of his Christ. Since the Church of Jesus Christ of Latter-day Saints has rejected forty years of my witness, which has been verified in rock art rendered by the finger of the Lord greater than the Decalogue of Moses' Sinai, it is too late. The church is fallen and the day of the Gentile is done. Mormons can repent and come out of Babylon and receive the power of the gospel if they will.

So in the photo of the rocks near Ensign Peak, which is North of Salt Lake City, we see a fallen figure in the dust as Nephi says who is embracing the Great Whore in its apostasy. Committing whoredoms with the pride of the world. We can also see one of the *Kings of the earth* taking a knee next to the Great Whore uncovering his nakedness, showing that he

commits fornication with her, as foretold of in the book, The Revelation Of John.

If we imagine that behind the king figure are the peoples of the world; the sitting Whore prevents them from progress and holds them back.

This Great Whore in our day is led by the submission of all nations to the rule of academia. This secret abomination was invented when the world changed after the printing of the Bible when all men would be able to read for themselves and discover the truth. The priests who ruled the earth from the Seven Hills of Rome had to seek another way to dominate truth and control what is believed. They established universities and have led the world in blasphemies forcing all men to do their bidding.

The LDS Church has always fully embraced the pursuit of excellence with the world and are fully overcome by the dominance of the learned and their degrees and warrants of authority and certifications of what is true and what can be accepted for knowledge. Thus are Mormons fallen and fully ripe in their inability to forsake the world sufficient to come unto Christ and receive the gospel. This even though it was truly restored unto them in the past with all the keys and priesthood and powers and rights and privileges.

Hopefully some few will be convicted of the truth that God is true and seek Zion. For hereby we see a seal set upon the earth from the beginning, signifying that the word of the Lord is true, refuting the abominations of the learning of the wise and prudent men of Babylon. Let faith be restored unto

all people and let them come and learn of Zion and partake of her peace.

At the same time I saw this event near the end of the month of November in 2011, I saw also a strange formation just a little more North in the sand of the gravel pits that push around great mounds of earth. It looks so much like a Jewish Menorah. This makes me wonder that it is an apt close for Act One pointing to the new day that now dawns when the gospel will be returned to the House of Israel. This drawing in the sand, as it were, is an unusual and strange sight as if just recently drawn perhaps by the finger of the Lord. Who am I in this to ignore anything that is given to me?
