Journaling

In your journaling you may want to write your feelings and your prayers and ignore the prompts. The prompts are to help you and you can choose those that speak to you most. You can download these prompts as a PDF.

Are you performance-driven? How does that show itself in your life?

What is your view of God? Is he a distant, uncaring, unfeeling, remote, legalistic or is he a loving, patient, merciful, kind Father?

What is your experience of God's father heart towards you?

Rob talks about doubting his salvation. If you are not sure of your identity in Christ you may want to listen to the podcasts in the [Identity](#) series. There is also a blog with journaling prompts at [Identity: A study in Ephesians](#).
