## Rule of the Week

### Length of Games:

Ball games are allotted 45 minutes but may run longer in certain situations.

If an inning starts and time expires before the home team successfully achieves three outs, the game score reverts back to the last FULL inning played and will be recorded as such.

However, if an inning begins and time expires AFTER the top of the inning, then the home team will be allowed to kick and complete the inning.

See the full list of rules at [www.Kickball.com/rules](http://www.Kickball.com/rules)

# MVP'S

Galloping  
Bronco

Ryan

Channeling the power of his new football hero, the Coloradoan “Galloping Bronco” Zane was all over the field snatching balls skillfully—even without mouth-breathing in true Manning fashion. That’s impressive.

Seriously though, Bojangles are glad to have Zane back for another season and this win wouldn’t have been as easy without him.

MVP no doubt was Ryan, with his crazy catches and kicks he brought the game up a notch. Although we didn't beat SOP we are defiantly finding our groove

Whitney  
Hancock

After playing in a tourney for Charity and winning, Whit arrived to the game gimpy. She moved herself to the bottom of the line-up, so she wouldn't be a burden to the team. We really didn't know what to expect from her, but that is where several of us were quite amazed by her performance. Whit played a remarkable game at SS with several outs recorded and one double play she completed on her own. Thank goodness

everything was kicked right to her so she didn't have to move and her arms weren't sore! All this happened while taking the trash-talking from the opposing bench in good fun. She has been, and several others, instrumental to our 2-0 record this year and knocking off Mayhem in our first game of the season. For those of you wondering, she is under contract for the remainder of the season and we have already begun talks for future seasons. We have not granted, nor will we grant, other teams the right to hold negotiations with Whit and other team members. We have sought Kickball Teamsters Union approval and are prepared to send this matter to Congress like in the NFL. However, we will take bribes in beer and cash donations to pay bar tabs after kickball games!

Michael  
Peterman

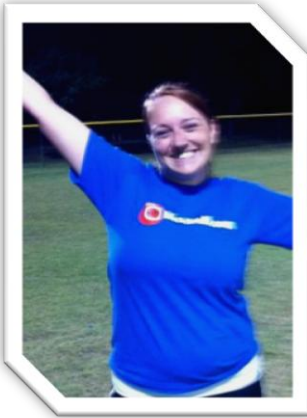

Peterman came out to play tonight! He has a solid performance in center field with catches and fielding, but to top it off he hit his first home run! Great job!

# MVP'S

**Melissa**

Melissa was BBP's MVP in her first appearance she utilized her FACE to catch a ball in the outfield. Talk about showing team commitment right outta the gate!

**Ian Maddison**

Ian Maddison won MVP this week for showing his dedication with style. He dyed his hair black and yellow representing his hometown! The next he shows up to work with his hair still half yellow and has to shave his head to get the color out.

**Ronda & Jana**

Double trouble! For the double play of the game, the team captains for NPIT were in total sync. Jana made the play at third and threw to Ronda to force the out at second.

**Vanessa Blasingame**

We've never had any qualms about moving Vanessa around the field, she does great wherever she plays, with or without her nun chucks. This week, we threw her into short stop and she stole the show with two amazing catches in a row for

two immediate outs. Sassy, Smart and Skilled.

**Cale Gillum**

Our MVP of the week is Cale! His winning lineup and great pitching skillz lead us to victory over Mayhem!
