

TO MAKE MATTERS WORSE

This was a conservatorship turning point,
Britney pleading for this madness to end,
Jamie wants it permanent, his standpoint,
After 7½ years Dad was unwilling to bend.

Battle of wills between daughter and dad,
Jamie thinks that he controls Britney's life,
Thirty-three and not free, that is quite sad,
This conservatorship causing family strife.

Britney knew she can fight back and win,
Reading Gloria Allred's biographic book,
Bring it on dad Jamie, let the battle begin,
Less cash for each co-conservator crook.

Refusing to perform held great leverage,
The wheels of showbiz grinding to a halt,
Stop the show, make a speech on stage,
Obviously, this all would be Jamie's fault.

To make matters worse, Dad is drinking,
Jamie needed to go back to rehab again,
Best friend in a bottle, to that he did cling,
His drunken alcoholic behavior is insane.
