Apakah Sponsored Review itu ?

Sponsored Review adalah sebuah website yang dapat menghasilkan uang tambahan bagi kita. Namun ada syarat kerja yang harus kita jalankan agar Sponsored Review mau memberikan uang kepada kita. Nah kerja apakah yang harus kita lakukan agar dikirim uang dari sponsored review ?

Ya agar kita bisa mendapatkan penghasilan tambahan dari Sponsored Review, maka kita harus memiliki blog terlebih dahulu. Saran penulis buatlah blog berbahasa Inggris dan jangan bertema komersial. Blog penulis yang berbahasa Indonesia telah memiliki PageRank = 3 namun tidak pernah menerima review dari Sponsored Review. Namun blog berbahasa Inggris penulis belum memiliki pagerank, namun telah 9 kali mendapat review.

The screenshot shows the homepage of SponsoredReviews.com. At the top right, it says "Logged in as:" with a "log out" link and "Sales Toll-Free (877) 360-3683". Below this are navigation buttons for "Home", "Our Blog", and "Contact Us". A secondary navigation bar includes "Home", "Find Advertisers", "Manage Blogs", "My Account", "Help/Support", and "Affiliate Program". The main content area is titled "Viewing All Jobs In Progress" and contains a table with 5 rows of job listings. Each row lists a price of \$5, an opportunity name, a blog URL, and a due date of 10/27/2010. The footer contains copyright information for 2007, links to privacy policy, terms, and affiliate program, and several security and verification logos including McAfee Secure, Authorize.Net, and a "Live Feedback" button.

How quickly can I build traffic and links to my site?

Creating an account only takes a couple of minutes. You can buy reviews and have traffic and links the same day!

Because reviews are the hottest marketing technique right now. Link builders love them for the great links! Marketers love them for the awesome traffic and buzz they create!
