

Dear Mr. Graham and Mr. Juncadella,

I want to thank you all so much for providing the funds for the scholarship. The scholarship, on a personal level, has definitely given me some relief for the upcoming school year. After my internship this summer I plan to attend my last year at Florida State University finishing up both of my degrees in Real Estate and Finance. During the next year my plan is to pursue a job in the real estate market that will help me transition into my first career job upon graduation. I have always had an interest in real estate, even at a young age helping out with my grandfather's real estate company. I want to thank you again for your support in helping me gain the education I will need to start my own career path in the real estate field.

Sincerely,

Dear Mr. Graham,

I would like to thank you for choosing me to be one of the recipients of a Real Estate Scholarship. This award is going to help me and my family pay for my college education this year.

I am very honored for a Real Estate Scholarship to be awarded to me. Although I am double majoring in Real Estate and Finance, Real Estate is the field I hope to have a career in.

Thank you again for granting such an amazing award to me, you can not imagine how much this means to me.

Sincerely,

Dear SIOR Foundation,

I wanted to say thank you for the scholarship that I have received from your organization. Without donors like the SIOR Foundation, students like me would not be able to accomplish their academic dreams. Luckily, your organization is one that understands the importance of giving back to the academic community. This money is especially helpful to me this year because of the increase in tuition costs. Thank you so much for your support and I promise to do my best to represent the SIOR Foundation in the best possible light. Thank you again for the award, it is greatly appreciated and graciously accepted.

Sincerely,
