Pitching, Catching, and Fielding:

8.01 Balls must be pitched by hand. There are no restrictions on pitching style.

8.02 Proper Field Position must be maintained by all fielders while a pitch is in progress, and until the pitched ball reaches the

kicker. Failure to be properly positioned will result in a Position Warning to the team that caused the infraction. The team's second and each subsequent Position infraction by that team that game will result in the kicker being awarded first base regardless of the outcome of the kick.

DOG OF THE WEEK

Want to see your furry four legged friend here? Email a picture of your dog or dogs with a kickball or kickball related item somewhere in the photo to russell@kickball.com. Please include the following info: Dog's name, age, breed, owner, what team he is on and a description of your dog and what makes them so special.

Name: Shelby (Left) Coby (right)

Age: 7 and 8 years

Breed: American Bulldog Mix and Goldendoodle

Owner: Candice Andrews

Team: OG's of Kickball

Coby a male Goldendoodle that turns 7 this month.

As laid back and happy as they come, this 120lb lap dog can turn any person into a dog lover. Nothing makes him happier than chasing

jack rabbits at the park with his sister Shelby, chasing birds at the lake, or chasing his ball in the back yard. He sleeps with his ball like a teddy bear, falls asleep standing up, and makes it impossible not to look at him without smiling with his Mohawk and sweet face.

Shelby turns 8 this December and is an American Bulldog mix. She was a rescue and is a classic older sister/teenage diva. She loves nothing more than going hiking or exploring with her mom and brother Coby. She has more personality than any other dog alive, and is as smart and stubborn as they come. She pouts like a child and LOVES affection. She'd do anything to protect her family, is as loyal as any dog alive, and means the world to her family!

WEEKLY

WEEK 3 MVP'S

Every week your Captains and Co-Captains choose one player from your team to be this week's MVP. This could be for an outstanding performance on the kickball fields, a phenomenal score on bar games, or because you nailed a Styx song on the karaoke stage at RedRocks after the game.

ALCOBALICS

BOJANGLES

SCOTT HEVEL and STEPHANIE ZORN

In my five seasons in TX Freedom, I'm not sure anyone has embraced what it means to be a Bojangle any better than Chris and Natalie Vanselow. They bring a "competitive" fire on the field while embracing the social aspects of WAKA. This

week they brought the team together for some pregame tailgating and provided us some tasty Summer Brew, in October. Miller Lite+Vodka+Limeade=Magic.

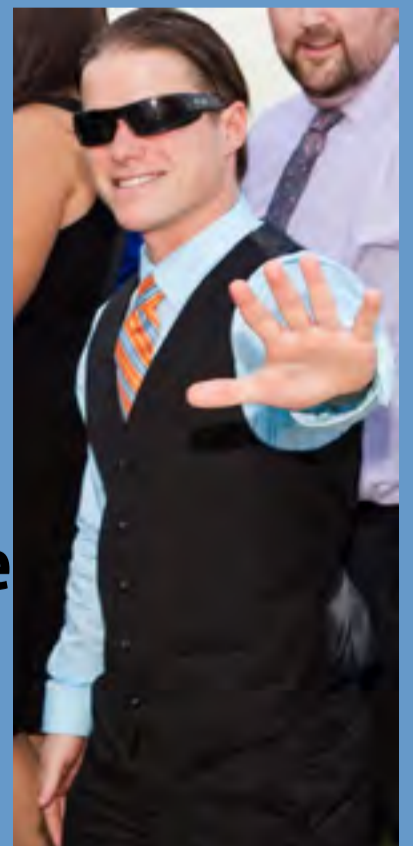

Amanda Smith, a former Bojangle and current member of the Dr1nkers gets Co-MVP honors for providing our pregame tailgaters with 25 yummy Jello Shots. Though, I'm sure it was part of a diabolical scheme since the Dr1nkers were our opponent that night ;)

BRE-WHOS YOUR DADDY

RYAN NIX

Ryan Nix is our MVP this week. He is always willing to step up and play any position on the field. He is our go to man with lightning speed. Nix'd named Speedy Gonzales! For being a veteran of the team he sure has proven himself as being a "True down home KICKBALLER." ¡Andale! ¡Andale! ¡Arriba! ¡Arriba!

DOLLS and BALLS

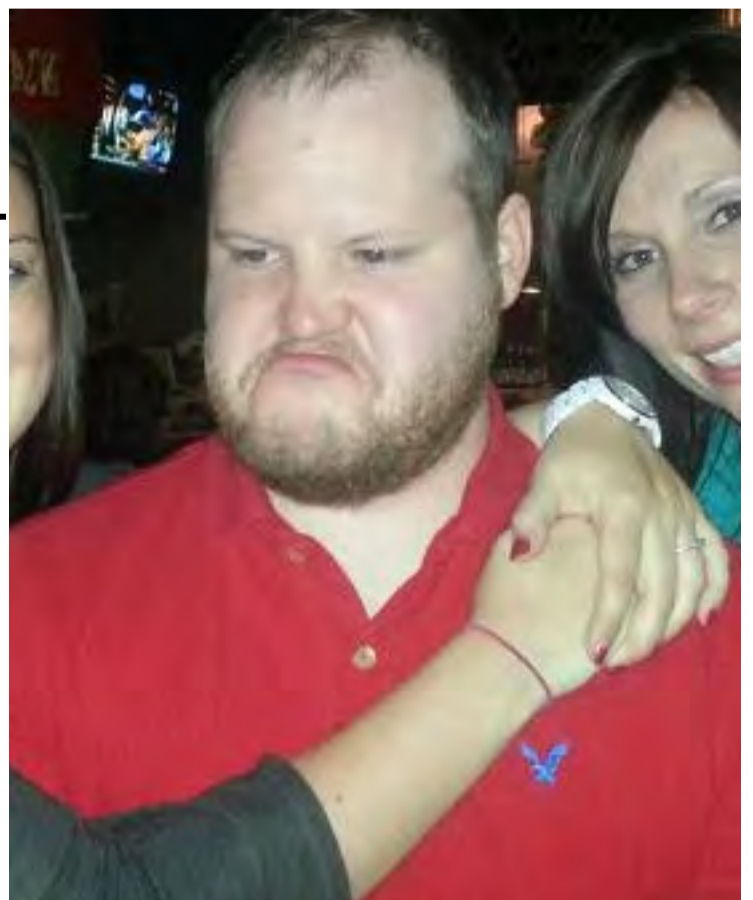

Well the Doll&Balls team did great in the first double header week. So basically we are just a team of MVPS and everyone managed to remain somewhat sober through both games. Surprisingly, the white girl wasted moments didn't happen until Red Rocks.

Big Thanks to Captain David Lingsweiler for coming up with an idiot proof line up sheet so we are organized. Big High Five to Beto Recio for being the quickest guy in Kickball! Also, Nice job by Larry Barnard who holds on to balls like his life depends on it.....NICE JOB and this week it was ALL.... OUR BALLS ...THEIR FACE!!!

DRINKERS

NATE ABBOT

Drinker's MVP: Nathan Lee Abbott: once again Nate takes home the honors this week. Although he wasn't 'feeling it and feels extra grumpy' Nate scored the first run of the season against our opponent. He was also spotted 'sending out the vibe' near the dart boards. He would like to relay that he will be there again next week, checking out sexy females...and males.

OG'S OF KICKBALL

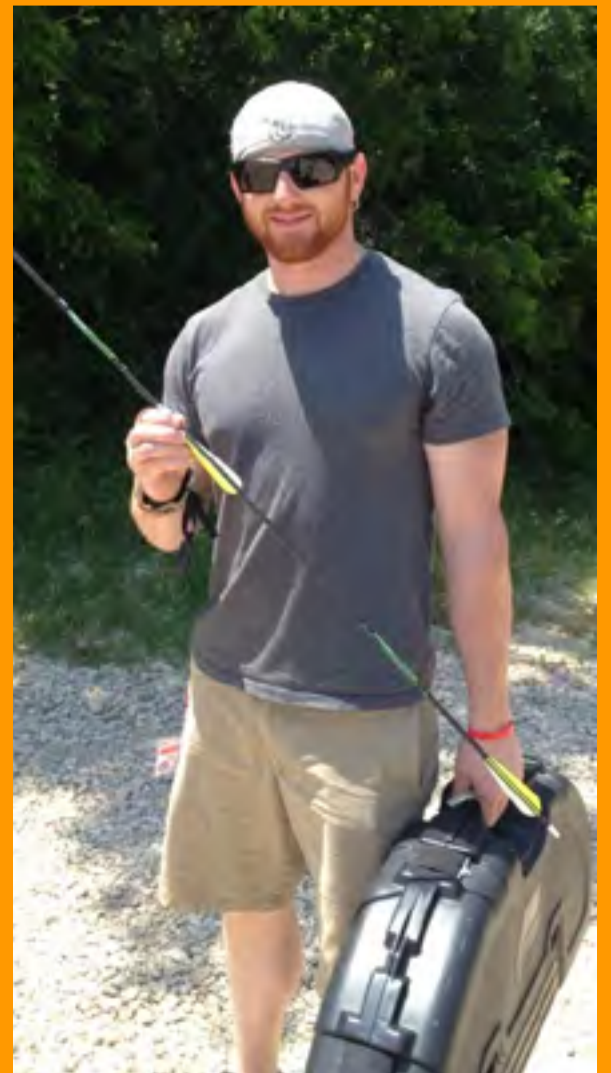

JEFF "MOLST ME" MOLEPSKE

Jeff made the switch from 3rd base to playing 1st seamlessly. He had more than a few clutch defensive stops including an unassisted double. He also drove in 3 runs and scored 2 times himself, leading the OG's to their first of many wins this season.

OOPS... I WAKA'D

ROB MILES

After a solid pep talk before the game, Rob kicked a 1st inning Grand Slam and we never looked back! Great first win for OOPS...I waka'd due in large part to the input from Rob. We're ready for next week!

PITCHES BE CRAZY

CORTNI CHAPMAN

and

KATHERINE OLEAR

Cortni Chapman was the offensive underdog of our night, sacrificing herself on a dynamic bunt/kick down the 1st base line and humbly advancing base-runners EXACTLY where we wanted them. After that, Katherine Olear earned the defensive

MVP spot for making infield-fly catches that appeared as though she had years of practice under her belt - but the opponent would never have guessed it was her rookie season! Great night for Pitches Be Crazy. ALSO Balls and Dolls put up a LEGENDARY fight to echo in the ETERNAL HALLS OF KICKBALL HONOR!

REVAMP

MISS KAT

This weeks MVP goes out to Miss Kat. With the Score close at 2-1. Kat kicked a double to drive in 2 runs and reVAMP never looked back.

Shout out to GATO.

THE BEASTIE BALLS

BIC PEN

This week's MVP is the Bic Pen Mascot. For selflessly allowing us to chew on him, pick at our ears with his cap, abandon him under car seats and sofa cushions, and only choosing to leak on our hands at the most inopportune times. That, and he managed to walk away from last week's game with one heck of a souvenir. Here's to you, Ball-Point Head Dude!

WHERE MY PITCHES AT?

Pitches fabulous foursome: Brad, Anna, Jaime, and Tyler demonstrated mad catching skills on the diamond. This foursome allowed Pitches to keep the game close against ReVamp and make Tae on his toes and stress a little. Don't worry REVAMP! This foursome looks forward to

another chance to take you down in the playoffs. Bring it!

Shawn Attaway was 2 for 2 last week and scored 2 of our 5 runs. Whoop whoop!
