Notes about searchthemoney.com

Our report is a detailed content of the Tory-run site as it stood in October 2014.

The Tories appear to have had enough of transparency now because in 2017 their site stopped providing information.

We therefore recommend pasting the source URLs from our report into a website called Wayback Machine: https://web.archive.org/

In October 2017 we extracted additional information from the Tory-run website using Wayback Machine which you can find here: https://d.pr/xlv8rm

Of course donations to all political parties can still be accessed from the Electoral Commission website https://www.electoralcommission.org.uk and we provide our own reports using their data from time to time.
