

## NOTICE OF VICTORY?

### Just letting you know that:

- 1) After 6 months in jail (on 24 hour lock-down, mostly isolated, repeatedly denied counsel and medical attention, human, civil, and Natural rights violated (and almost killed),
- 2) 5 additional months on ankle bracelet on house arrest at my ex-wife's house (duh?).
- 3) 5 additional months of basic status quo stressing over the idiocracy of my last case ,  
**the 3<sup>rd</sup> (and last) bogus case against me (in which I was facing 7 years in jail) has now also been dismissed pre-trial.**

Yes, just like in the (already dismissed) 1<sup>st</sup> and 2<sup>nd</sup> bogus cases against me (where I was facing 60+ years), I am;

1. **not on probation nor parole,**
2. **not working for or with any law enforcement or government agency**
3. **not going to jail**

And I did not even have to file a motion to dismiss in any of these 3 cases (wicked?).

So... obviously... as I have said repeatedly... all the negative BS that I was charged with plus all of what was put up on the internet (and sadly remain to be up) by those idiots for the purpose of maliciously slander me out of business can't be true... am I wrong?

If any of the irrelevant negative BS you may google out about me worries you, please contact me, I would hate to see you miss out on the opportunity of a lifetime just because some idiot posted some negative BS about me on scam or ripporeport... ok?

Point blank... it all boiled up to all that happened... and here are the results.

This nightmare is over... Cool huh? (The Truth Has Set Me Free)

Why is Creating Free Green Technologies and Speaking The Truth so dangerous?

*BTW: Roy Stang's cases got settled pre-trial too (He will tell you about it "I'm sure)*

Thank You All that came together beautifully in helping me prevail.

Much Love... Peace...
