Beloved of Christ,

Hello Jorge,

I woke this morning to the vision of an amendment to your letter yesterday.

It has taken me all day to put the changes to page 5 for it does seem as if it is satuns dying last attack and so weak that it was for it was only a mental block and I woke up around 5 this afternoon.

So please substitute the original, I trust all is heading in the right direction for me but you had some questions, the amendment should clear it all up for you.

Do take care and read from you soon no doubt.

Yours, today and every day in Christ Jesus,

Peace be unto you,

Beloved of Christ,

Hello Jorge,

The third and final amendment, pages 5,6 & 7.

Woke this morning and made a brief addition “**It always takes two to tango and there is always two sides to every story**” before I left for Mass and then during lunch a vision for the other paragraphs.

Looking forward to a favourable reply, I wonder if Fr’s Mark DeBattista or Michael Kelly or even Sister Giovanna are flying to join me????

Love you all and blessed be you all at Vat Central.

Greetings Beloved of Christ,

Well Jorge,

I must say you have disappointed me, to let me down severely, your reason I demand to know that I know just exactly where I stand with you thank you.

I assume that your conclusion of me is one of paranoia and craziness with the loser satun in control of me, your answer will be most interesting as it is now Monday my deadline and I have managed to obtain an eleventh hour move that just might buy me one more week, unless of course Keminuelle takes the chase if Father gives her the OK.

As for you Pope Francis I, your reply to my letter, amended 3 times and then I assume you will unfriend me on Facebook for I will not unfriend you seeing how it is you who has wronged me.

And may you tremble, for you will with me standing beside him, may God judge you accordingly and I can officially say that the following scripture rings true for you.

Beside the unquestionable and undeniable facts of proof and evidence, so then you deny Christ and Christ will deny you, your fate is sealed.

Luke 12:9

"But the one who denies me before others will be denied before the angels of God."

You will suffer the consequence of your actions and most certainly the lack of them, I do hope you understand that this is not a joke or that you assume it to be such, as that is the way you will be no doubt look upon for your rejection of me, a joke I most certainly am not!

My letters which are my words must be considered the ravings or a lunatic????

Greetings Beloved of Christ,

Well Jorge,

It would seem that you have earned a reprieve and myself included so I would like a reply thank you, and I might add I am most deserving of one.

The attached file and same the lower inserted picture is of a person I know quite well so to my Mother, so to Stephen Burnes, a former councilor of Shellharbour Mr Tom Hawker worked for me at the time of my vision and he is a devout Catholic, all his children (5) attended the Catholic education system and they live in the area of and attend St Paul's Church, Albion Park, regularly, so shocked that he will be soon when I reveal who I am.

I asked Tom at approximately 8:00 pm this evening if he remembers why I left the business and about my vision, without pausing or gasping for a breathe he answered yes immediately, that is not even having to think about it as with Steph it is different, he was

too busy to talk after just arriving home and wants me to phone him tomorrow at his office after 10 am, I went into detail with Tom about it for he was enthralled with what I was saying and even commented "How do you know it wasn't the devil telling you to sell up or something" my reply "for I am stressed, under pressure, spiritual things are happening to me that make me worried and I can see that I am headed into a trap that I will fall" now besides the obvious, God works wonders and miracles through those whom do not conform to the world for satun cannot use them to build his system.

I am sure,

I also told Tom that I will return and we will see what unfolds for I am sure that I will need his help again, well God will need his help was my comment.

The following text messages are to Stephen, it will put you in the picture with him.

Hey,

I haven't heard back from you about anything so I assume you are not interested then for I know if you really believed then your excitement would be overwhelming.

Hey Steph,

I was expecting your support regarding the vision in 1999 and made promise to reimburse you for what you missed out on when I sold the business and to come and work for me.

But no, you ignore me and my email the letter to you that the little lu hoe scag bitch devil has you under control and in his pocket.

Thanks for nothing.

I just want to say.

You were the only other person that knew about my vision, Mum ignores me, so now you know everything you have let me down terribly.

I needed your support, and desperately, you have absolutely no idea Steph just what it means by you ignoring me.

Tibby is in a nursing home with memory loss, I told him in great detail about my vision just like you.

Thanks for letting me down.

I know I owe you something more for the help you gave me in business and so it will be now only 50,000\$.

We no longer will talk after you receive it and it will be just as soon as I can get the money from the banks.

And I am not being scammed you are though listening to all the demons in your head about me.

He Remembers My Vision!

I wrote immediately in my excitement **"He Remembers My Vision!"**

The mongrel is in your minds causing you doubt, do not ignore my facts presented or my attitude towards the coward devil.

I confront him with head on attack for this is the best form of defense and attack, do not be under any false illusion that I could be from him or that he is controlling me the spineless wimp, the little weasel that he is, it causes me to question the motives of those causing me trouble and by questioning me from a distance and not face to face to defend myself, **I mean let us face the facts are there more in the world just like me or will there be another just like me thus so hell bent on revenge against the evil realm and so bold and brave as me saying what I do, do you think God will be forgiving of me or that Jesus will be if I am lying, no it is me and only me and I AM exactly Who I Say I AM and Father God supports me more than 100%.**

Do not be fooled or mistaken for I want the evil spineless cowardice realm dead, all so very dead and a completely Christ Conquered World and I will have my way, it is only a matter of time.

Momma Christos wants me to add for the letter Jorge,

That she was 17 years of age when she conceived and 18 when Jesus was born, not younger, for God would not entrust his son to a little child or a teenager or a little girl for that fact but ensure she is a young woman of maturity or in Mothers case a young lady, it grieves her so that some believe 12 years of age, this is crazy lies of the evil realm to be pregnant at such a young age, a little girl, a little child in mind and not a young woman, how arrogant and male chauvinistic is this attitude to even believe such and to poison the world with the devils lies out of the Church, what God as a so called muslims supports child brides and rape as young as 6 years old, and you don't put one and one together for all the pedophilia that the devil is causing in The Gods Church and only Church trying to destroy her, what that they aren't possibly linked, what that these cowardice pathetic devils of priests with bodies riddled with demons standing behind Our Tabernacle at Gods Alter dressed in shepherds clothing should be allowed to remain Priests even after being removed from the Mass, what you don't see them for exactly what they are **Ravaging Wolves in Sheep's Clothing so the devil dressed as Christ**, seems a lot like little red riding hood don't you think – **Shame On You – Shame On You All Who Don't Have Them Excommunicated or Even Hung but God will be their judge**, not so, the grave will be for that is it for them a grave and that is the end of them, so yes the mongrel lowlife evil realm have caused many a soul to fall whilst trying to destroy Our Church so that his slowly grows to be the greater, what's next the whole world begins to see Jesus as of being of the devil in beelzebub and so become muslim now under one so called God and The Trinity is Eliminated, well thank you men of the Church without courage for helping satun, allah and jezebel, thank you all so very much.

I do not lie, I state the facts based on what I am told and the visions I receive, I am most certainly being deceived by the spineless worms of the evil realm around me so may get things wrong a little but will always correct my mistake.

I do not and never will give recognition to evil or classify them as worthy opponents by capitalizing words to describe them, I will give evil no heading of authority whatsoever nor to even recognize such openly that all can see, no rather I will let the devil know at all times just exactly where he stands with me and it is too his peril, me hunting him down to finish him off and not he hunting me, the damned fool is so confused, **damned if I do and damned if I don't**, meaning, damned if I leave Christian to go out in the world and damned if I don't for he will kill me off staying around him, for you see, he has lost some much trying to get me and even trying to stop me, thus kill me, he is dead either way, tempts himself to his own destruction thinking he can defeat us and get the lot, he believes his own lies he tells himself let alone the ones I tell the mongrel idiot.

I am quite sure that after speaking with Tom that he will talk to Mum to get her on side but first I need him to recover after hitting him with all my pages, there is so much.

Am I now worthy of your support in the form of a letter or not Jorge????

Yours, today and every day in Christ Jesus,

Peace be unto you,

Subject: Greetings for I dare say the last time Jorge????
Importance: High

Greetings Beloved of Christ,

Hello Jorge,

I dare say this is our last communication for I feel you regard me as under the control of the devil, ha, what a huge joke this is as he is, it is just that after all his attempts in his fear to destroy me for so long now I have defeated him and am in no way of any fear of him whatsoever and so talk to him as I will to crush his spirits and belittle him now to the maximum, so it is payback.

You wonder how I could possibly win or survive?

Well with God anything is possible, this should be your first introduction to the blessed, beautiful and wonderful man, but have you heard of Angels, I dare say you have, well special Angels in me, including mind strong, mind awesome strong Seraphim and other

special mind monitoring and control Angels, mine has been purely the vessel, the shell, theirs has been to organize and control to even destroy in me, you see we have something around me and them being so hell bent on proving their point that when they lose and leave to come back at me they forget what previously happened and what they lost, it is instant and not to forget that we actually have their spirits under control to well, implode that they keep forgetting, see they tempt themselves to their own destruction and are far too dangerous again if they leave me, so it is a trap to their own doom, **"I'm a lean mean killing machine"**.

So I have made additions to the letter, it is 14 pages long now and say that if you ignore me and my pleas for help to give me support and notify the Bishop that we can orchestrate the conclusion that only he and a small select few should know that they can observe and hear what happens around me until which time I am completely free of them that Keminuelle or even Michael will appear and then the undeniable proof is there, then all I can say, you be at your own fault or error regardless of just exactly whoever you maybe, totally regardless of the fact, mine is not to destroy but to save and all in the blessed name of Jesus Christ, you be the deceived ones and certainly not me, this I know for an absolute fact.

My Humble apologies if you feel me threatened you but no, not really just stating the facts, I am here at the devil demise not the world or the Godly in the Christians or the Jews for that fact, listening and reading to many of jezebels lies from other so called correctly divinely given visions, John Smith was not Jesus or Father for they do not give false visions nor do they lie or delight in polygamy of the Mormons, no you are all deceived within thought as to who I might or might not be, read all the facts and evidence, nobody knows what I do, nobody at all on God's green earth.

So I will leave you with the following scripture and bid you "au revoir" to say it seems goodbye then, and Mr Tom E. Hawker cannot talk to me until after 11 am tomorrow, so busy that he is.

Besides the unquestionable and undeniable facts of proof and evidence, so then you deny Christ and Christ will deny you, your fate is sealed.

Luke 12:9

"But the one who denies me before others will be denied before the angels of God."

You will suffer the consequence of your actions and most certainly the lack of them, I do hope you understand that this is not a joke or that you assume it to be such, as that is the way you will be no doubt look upon for your rejection of me, a joke I most certainly am not!

I merely demand action, that is who I am, my step Father quite often says and he is so very very right **“Procrastination is a tool of the devil”** and **so too is “Doubt”**.

“evil flourishes whilst good men do nothing”

All that should concern you to prophecy from a Christian perspective is, Vicarius Filii Dei (ie Revelation 13:18) and St Malachy, that is it and only it or anything supporting it, the Church has been set up and you be the person that it is pointing to, the timing is perfect and correct.

So who exactly am I then????

And who is the so called Godly man and supreme leader of iran, that hates Christ, remember they want Israel wiped of the face of the map and islam to conquer the world so that undeniably means, the Trinity Eliminated and this includes Mother Mary of course, looking so forward to the their plan are you or is it really Father God playing stupid childish games with humanity and islam is to be the way of the new world order and doctrine of system - now this makes perfectly logically good common sense to be right yes, of course not man.

The anti-Christ hates Christ and the false prophet are expected and they deceive the world and the muslims 12 imam who is supposedly in the world is here to bring about righteous war in the name of allah and see to the elimination of all religions that they be one in islam, so what or who is the Christ then, or, the imam, he quite simply cannot be one of Jesus two Witnesses for he is put one man and not two besides he is not Christian, undeniable proof is Hebrews 1:1-14.

Thank you Jorge, I have made my point, now it all rest on you.

PS

This letter in its entirety will be posted on my pages and web page soon when finally set up, that all can decide for themselves, including all my email messages such as right now.

I will be home on this coming Monday and so suspect that I shall be taken against my will to hospital to be sedated and in trouble then, for I know the police will attend, I will be leaving peacefully with them and to shame everybody will be insisting on being in handcuffed yet not a criminal but certainly treated as one and am about to make a shocking revelation regarding the police that will make you to sit back and wonder and be scared and it is not the polices fault in anyway whatsoever.

MY Mind Is Of The Utmost Importance for under medication as we suspect the devils last ditch attack if he can see heaven then heaven will be attacked, and so bear in mind that I

said surely it be no more than 1 to 2 weeks more, this is honest and genuine, so it is your move now Vat Central, and the scripture above includes all of you.

The Police,

In America they are called Bears (the fallen angel now the form of the bear who is Russia) in Australia & New Zealand they are called Pigs (the war mongering native Maoris of New Zealand are jezebels creation for the beast so 666 who is the boar the wild boar) and in the UK they are called Bobbies (this is allah and his homo love for a man's member the poof and so they say in the scouts who are now openly accepting gay scouts as children they say – Bobba Job – sorry to be so crude Jorge but it is exactly what it is) and likewise in the Western Armed Forces to fire nuclear weapons at the West and those in the bunkers & subs to stop the West from retaliating plus the forces join the enemy and well the police to join the criminals and kill civilians, yep absolute chaos.

We caused an awesome war in New Zealand for Father God to walk up to Abraham in safety that all the evil scouts watching Father Abrahams tribe left to watch, they quite simply could not resist and Mr John Piper, sorry for the way I have been to you and you are no doubt the same with me, you have been involved and have always been present with us for Gods plan that you know me well in spirit who I am and that jezebel be tempted to be able to get you to get me to her peril for you have hurt her in spirit terribly being so strong for God and am sad that you don't go to Church any more for Mum says she doesn't know what is wrong with you but most certainly you will be again soon, I guarantee it.

So I am now at your mercy all, Jorge and Mum & John who are the only others to receive a copy of the letter.

Yours, today and every day in Christ Jesus,

Peace be unto you,

The Seraphim are Gods Fighting Angels as I have my special own.

Assume is another tool of the devil.

Do you dare deny Christ in the following:

1:

My Vision in 1999, witnesses can stand as to this.

2:

Bryan Forbat's vision.

3:

Tonya Lee now healed but must be confirmed with her the events and her condition both then and now.

4:

The Miracle of the candle and my unit not catching fire.

5:

The forth rib and spiritual creation of the Woman.

6:

Order of profession for the twelve tribes of Israel.

7:

Outside the Universe.

8:

Confirm you tested an angel that she failed and if she/they did then why would I mention it when best kept quiet that you should test me and if from the devil then this angel was so planned to get me support as the false prophet, so why did the idiot fail when the so called smart cunning devil would be beside her to guide her in her answer and why didn't he, why didn't she have the answer to not fail when so much is at stake, like their lives.

More miracles, wonders and information will result through me and if supported here then there will be witnesses to tell of the story.

Let say, if my fight goes on for another year yet, then that is a whole lot of recorded information that can be added by those with me not to forget the mountains of more posts that I will make.

Hoping to be reading from you soon.

Peace yesterday, today and tomorrow in Christ forevermore is the desired result and quite possibly a little war with Iran and north Korea if at all.

Greetings Beloved in Christ,

Hello Jorge,

Just to let you know, Tom as he is a big man and always blunt is a busy man and so I decide not to burden him, well shock him and through his mind out of whack with all the information.

You have the facts and he can be contact as can many others later so of you are not satisfied with all the facts you have to date then you will never be, I have other options and so must move on until either incapacitated or killed off, "Onward Christian Soldier Marching Off To War, no retreat and no surrender and no looking back, always striving forward to the ultimate goal, a Christ conquered Planet".

Revelations 13:18 and the name of the man is there for your Jorge, we all know that the Church will not start a huge war or that the anti-Christ could not possibly come out of Christ Church itself, no it serves the purpose now for you Jorge as a warning to the end times, it is up to you to decide what is the next and best move, but in saying this, Vicarius Filii Dei, is the Pompous Church and it is you in St Malachy's prophecy, now we know for

certain that you are now alerted fully to what is going on, so no longer deceived that the idiot devil and his realm could not of realised for this current time, that you are a good man and the whole of Mother Church stands for peace and if not conducting yourself correctly or suspiciously then you most certainly will be questioned by millions, so it is safe to say that like you the Church is now completely safe as safe can be.

You Jorge are the devils planned anti-Christ and the fool in iran is Gods yet each is on the opposite side, one is right in you and the other is wrong, for you Jorge know exactly who you are being a Jesuit a "Man in Black", do you understand me here, we have set them up also that is obvious in the 12 imam and such in Revelations, you know the facts and can see the truth and most certainly can judge evil in all of its forms to even make accusations as Gods representative on earth and easier so with the right men and woman to support you, yet your gracefulness is important, so your spirit must not be harmed or set back.

So rather than remaining hidden the whole world can know the absolute truth as the Protestant and Evangelicals are expecting to be as per above, they can help to keep Mother Church true & honest and on course and finally unit as One Body in Christ to be a most powerful force against the evil realm, this is Cardinel O'Brien's part to be played along with so many others of course, that the wrong one will collapse under the pressure and facts Jorge and that means Christ Conquers All, after all it is them verses US anyway.

For US

Mark 9:40

For whoever is not against us is for us.

Courage

1 Corinthians 16:13

Be alert, stand firm in the faith, be courageous, be strong.

You will have to step down, and certainly not at my command but when the time is right Father will speak to you himself, depending on the remained of time with my fight if satun remains putting up a fight and if not then Kem and Michael will appear, but do not worry for it will be revealed to those around me when the time is right, I am sure Brother (Father) wants me to Conquer the world if we cannot finish of satun around me and if so then he will speak to those who will know what to do.

Some of the few I had in mind to be with me, Catholic menALIVE close companions and Catholic Cursillo close companions (well friends) who know me well and love me, my Mother and the Scripture and spiritually manly voice strong John Piper, some others including retired close friend to our family and more so Johns Fr. Vince Whitman and I have some other intellectual priests in mind, so maybe a total of about 20.

Do take care and I am hoping you see all that I have declared to you with much wisdom to discerned and understood the obvious.

Stay Safe,

Paul

Conqueror for Christ....!!!!

Victor for Love....!!!!

PS

John do send Jorge an email of what you and Mum think, this is no joke or a game, it is more than serious and all must quite simply wake up to themselves and realise the obvious with the facts presented.

I know exactly what I am do and am no doubt being guided and lead from above.

PSS

My error, so tired and eyes being diverted, the 149 times the word spirit appears and it is actually 151, well something is wrong with the translations but I stand firm on my words, for it is meant to be as I have stated, Father alerted me to check this morning, so downloaded the program from my flash drive for I am not home and checked this afternoon.

Look at what the size of the following file turned out to be: 142KB and my unit number 142.

What, how disrespectful of you, how insulting to me and how insolent of you.

To suggest something as pathetic as the stupid link below and a donation will fix everything, have you not seen my Charity Page on Facebook.

Why in the name of common sense and logical thinking did you seek my friendship on Facebook in the first place if not knowing exactly who I profess to be, good God man in the name of righteousness what the heck are you thinking or not thinking for that matter????

Think yourself to be so lucky, such a very lucky now Jorge for Miss Keminuelle, My Goddess informed me this morning all is AOK for her appearance on Monday and Michael just said Him Also, you will step down and Fathers Pope will be placed on Peters Chair Now and Immediately and you will not be put back in the position, to think me a fool and evil after all the beautiful and loving things I write about is to think that you are the devil's father, so sad that your thinking is, so very sad indeed.

You foolish man lacking courage, I have send you comment on Facebook to your message, that the whole world will know about our conversation and just how uncaring all you priest are and pretend to be and all those with her walls that are child abusers, of filthy evil homo's will be hung outside the Vatican in St Peters Square for all the world to see and the Freemason's will removed from within Mother Church's Walls.

Hope you understand me here Jorge and Monday is the Lucky Day for you all.

Happy, Happy, Happy Everyone.

The Righteous Judge of God and God's Law - I AM He Who Is The Person Who Is The Holy SPIRIT

The Saint Paul the Apostle to the Gentiles Mr Paul V. Cleary
